Dear Honorable Mayor and City Councilmembers,

As a resident of Oceanside, I would like to offer my support for the North River Farms community. I have watched the community progress through the planning phases and I am intrigued by the innovative and sustainable design of the agrihood community. I think the use of an integrated farm community in this location respects the region's agricultural history. I am supportive of the City of Oceanside looking at responsible and creative ways to address the housing shortage and I think this community would make a great place to live.

Thank you for the opportunity to submit my support.

Sincerely,

[YOUR NAME]

Oceanside Resident
